THANKSGIVING DAY— Borough Offices Closed](#)
- [November 24, 2023 - Borough Offices Closed](#)

Curbside leaf collection will begin around the week of October 23rd, when the grass in the parks is done growing and no longer needs mowing and will continue until the first forecasted snowfall when the trucks must be mounted with salt spreaders and plows. Leaf collection will be conducted according to the schedule shown above.

Please have your un-bagged leaves (NO STICKS, BRUSH, GARBAGE, OR GRASS CLIPPINGS - THEY CLOG THE LEAF VACUUM!) curbside the morning of your scheduled day.

Please keep in mind that the main purpose of curbside leaf collection is to keep leaves out of the streets, gutters, and storm sewers where they cause flooding and other problems. Collecting every leaf from every tree is not the intent of the program. Plus, your mower does a great job of chopping up the leaves and returning valuable nutrients back into the soil.

PLEASE BE ADVISED . . .

The Highway Department will not pick up leaves for the following reasons:

LOCATION OF LEAVES - For safety issues the Highway Department cannot pick up leaves on Eisenhower Boulevard or Second Street. Second Street residents should place their leaves in the back alley.

LEAVES ONLY - **"NO"** sticks, brush, garbage or grass clippings should be mixed with your leaves. This will clog the leaf vacuum.

IF YOUR LEAF PILES ARE NOT PICKED UP ON YOUR SCHEDULED DAY, DO NOT CONTACT THE BOROUGH OFFICE, THE HIGHWAY DEPARTMENT WILL DO THEIR BEST TO ADHERE TO THE PROVIDED SCHEDULE.

MS4

For those who are unsure what MS4 pertains to, this is any type of conveyance, including roads, catch basins, curbs, gutter, ditches, man-made channels or storm drains designed or used for collecting stormwater, which travels to a water supply.
