

2022 Local Earned Income Tax Filing Update

As we approach the end of the year, we would like to advise residents that the 2022 local earned income tax return extensions have been duly processed.

Keystone initiated the process to identify residents in the community who failed to file a 2022 local earned income tax return and/or pay their 2022 taxes. Over the next few weeks, residents will receive notices and tax return forms by mail. Keystone would like to remind taxpayers that they can easily and securely file their return online at efile.KeystoneCollects.com. Furthermore, their website hosts a comprehensive list of Frequently Asked Questions (FAQs) to assist you through the process.

Any inquiries regarding tax filing, go to Keystone's website, FAQs, or contact their **Taxpayer Services Department at (888) 328-0565**. They are committed to providing taxpayers with the necessary assistance and guidance.

Thank you
