

## 2024 MUNICIPAL DOMESTIC ANIMAL PROTECTIVE SERVICES AGREEMENT AMENDMENT

This amendment (the "Amendment") is made by the Humane Society of Harrisburg Area, Inc., (the "Society") and \_\_\_\_\_ (the "Municipality"), parties to the agreement \_\_\_\_\_ dated (the "Agreement").

The Agreement is amended as follows relating to the specific sections. Changes are listed in italics:

1. The Society will accept domestic dogs and domestic cats from the Municipality surrendered by authorized personnel as housing space allows in exchange for the fee in Section 7. Under no circumstance, other than emergency, such as the intake of an injured animal or aggressive animal or an animal brought in by a dog warden from the Bureau of Dog Law Enforcement, will the Municipality, be charged any fee for animals surrendered by anybody other than authorized personnel unless the party surrendering the animal submits an Authorization Form which is approved by an authorized person of the Municipality. This Agreement does not include placement services for owned animals ~~or feral cats. The Society will not accept more than 100 pit bulls from a Municipality in fiscal year 2024.~~ *The Society, will accept feral cats secured in humane traps with the understanding that Society will spay/neuter, vaccinate, ear tip, and return these cats to the location they were found. Feral cats are only accepted by authorized personnel as described in the terms above and the Municipality is not obligated to participate in this offered service.* The Parties acknowledge the Society may temporarily shut down its facility due to an outbreak of a zoonotic disease, severe canine or feline disease, or over-population of animals. In the event that the Society temporarily shuts down, the Society will make every effort to assist the Municipality by providing food, bowls, and other supplies to the Municipality, however, the Municipality will not be entitled to any financial recovery.
7. In consideration of the foregoing, the Municipality shall pay the Society a non-refundable contracting fee of \$250.00. Municipalities will be billed by the Society on a monthly basis. The fees for animals are ~~\$158.60~~ \$250.00 per dog, ~~\$345.40 per pit bull~~ and \$176.40 per cat. The Society will ~~not~~ accept feral cats for admission *with the understanding that the Society will spay/neuter, vaccinate, ear tip and return the feral cats to the location found. Feral cats are still subject to the per cat fee* ~~or more than 100 pit bulls from any Municipality in fiscal year 2024.~~

The Parties agree that the fees do not represent a daily fee obligating the Society to accept an unlimited number of animals from the Municipality on a daily basis.

Except as set forth in this Amendment, the Agreement is unaffected and shall continue in full force and effect in accordance with its terms. If there is conflict between this amendment and the Agreement or any earlier amendment, the terms of this amendment will prevail.
