Committee Reports

Public Facilities / Maintenance & Repair– Member Matesevac reported that there are a number of maintenance issues that need to be addressed this year regarding the municipal building. She continued that some areas of the building need

patching and painting, some carpet squares are dirty or stained and need to be replaced, the lintels on the windows need to be replaced due to leakage. She added that the lights that light the flag outside, in front of the building, sometimes don't go on. Member Matesevac then discussed a property across from Knights Funeral Home on Second Street, close to the Turnpike Bridge, that the steps need to be repaired. There was also discussion regarding 312 Market Street and replacing the HVAC system. Member Thatcher suggested that Council consider getting an estimate for a new system now to avoid future heating and cooling issues and that it should be upgraded within the next one (1) to two (2) years.

Sanitation Committee – Member Phillips noted that she attended the Highspire Authority meeting on January 15, 2026 and asked for clarification on her duties on the committee.

Finance Administration – Member Thatcher had nothing to report.

Personnel Committee – Member Roman reported that the committee is working on scheduling interviews.

Community Development – Vice President Accorsi had nothing to report.

Public Safety Committee – Member R. Sutch had nothing to report.

Staff Activity Reports

Mark Stonbraker, Borough Manager, stated that last week he spoke with Lori Yeich from the Department of Conservation and Natural Resources (DCNR) and her recommendation is that the next project the borough does, is the playground. He continued that she suggested coming up with three separate proposals with public input via a QR code on signs. He added that this will be Phase II. Manager Stonbraker reported that he along with Public Works Director Kreider and RETTEW Associates will be meeting with Zack Border with Lower Swatara Township, to discuss flow meter locations on Thursday, January 22, 2026. He stated that Lower Swatara Township has the new agreement on their agenda for their January 21, 2026 meeting and that exhibits were provided to Mr. Border detailing capacity of the plant, points of connection between the Township and Borough, metered/unmetered, and GIS mapping.

Deanna Proctor, Code Enforcement, reported that she, along with Public Works Director Kreider, posted eight (80) Notices of Violation for snow removal. She also informed members that she is continuing to work with IWORQs training on the new code enforcement software and has two trainings remaining. Ms. Proctor reported that she is looking into options regarding the property with solar panels all over the property, not sure if this is a property maintenance issue or Building Code violation.

Randy Kreider, Public Works Director, updated members on the Biosolids Project stating that the upgrade is nearing substantial completion and is aiming for full operation on February 9th & 10th, 2026. He also reported that the roads will be pretreated on Friday, January 23, 2026 for the snow storm expected.

Deanna Proctor, Highspire Authority, reported that she attended the Highspire Borough Authority meeting on January 15, 2026 at 7:00 p.m. She also reported that Manager Stonbraker drafted and RFP for a new solicitor for the Authority, which is being reviewed by Authority members and Public Works Director Kreider.

Member R. Sutch had nothing to report for the Safety Committee.

President A. K. Sutch presented the Staff Activity Reports for the month of December 2025 and asked for a motion to accept them. Motion moved by Member Phillips seconded by Member R. Sutch. Motion approved unanimously.

Solicitor's Report

Michael Cassidy, Solicitor, was absent. Manager Stonbraker noted that Solicitor Cassidy will be attending the next Workshop meeting to introduce Rachel James, who will be coming to the meetings regularly in his place. He continued that Solicitor Cassidy will still be involved, handling most of the heavy lifting, and Ms. James will handle the duties as Solicitor for the Borough.

Engineer's Report

Robert Lauriello, Borough Engineer introduced Frank Chlebnikow and stated that he would be taking over as the representative from RETTEW. Mr. Lauriello noted that the Borough received \$550,000.00 in grant funds from the LSA Statewide grant for road work, to be used with \$123,000.00 from the CDBG grant for road work. He added that the Borough originally applied for a million dollars and resubmitted the same application for 2026 and will likely modify the scope. He also reported that the Lumber Street Project is ready to be advertised, pending easement signatures from property owners.

Mr. Lauriello discussed the Iron Avenue easements. He suggested informing Kent Patterson, former Authority Solicitor, to stop working on the easement letters to avoid confusion. He noted that the project is still planned for this year, aiming for a summer completion.
