CLEAN WATER *Starts with You!*

Stormwater runs off our streets, yards and driveways — and goes straight to our rivers, lakes, and streams. What you do at home makes a big difference!

EASY WAYS TO HELP:

PICK UP TRASH
Keep litter out of the street and drains.

FIX LEAKS
Prevent oil, antifreeze and other chemicals from washing into storm drains.

USE LESS FERTILIZER
Keep excess nutrients out of our waterways.

TRY NATIVE PLANTS
They absorb rain, reduce runoff and keep our water healthier.
